Rebate Eligibility Requirements:

1. All eligibility requirements must be met to qualify.
2. All products must be ENERGY STAR® certified. ENERGY STAR Certified Natural Gas Furnace has specific ENERGY STAR requirements of ≥ 95% AFUE with ≤ 2 percent air leakage and equipped with electronically commutated fan motor (ECM).
3. Qualifying natural gas equipment must be new and installed in a property that currently receives PECO natural gas service.
4. For ECM fan motor rebate, furnace and air handlers equipped with an ECM fan motor must be new and installed in a residence that currently receives PECO electric. (Propane and oil furnaces are not eligible.)
5. New construction is not eligible.
6. The rebate paid will not exceed the purchase and installation price.
7. The new natural gas heating system must be the primary or main source of heat.

Attention Customer: Installing natural gas appliances should only be performed by certified and licensed plumbers. As part of any installation, customers should ensure they have sufficient capacity and pressures from their natural gas service before completing the installation. To submit an application for review by PECO to add equipment or appliances to an existing natural gas service, visit <https://www.peco.com/my-account/my-service/construction-remodeling/service-requests>. By submitting a rebate application, PECO does not review or guarantee the adequacy of your natural gas service for the installation of new or modified equipment.

Terms & Conditions

- This program term is January 1, 2024 through December 31, 2024.
- Documentation must include the completed, signed paper rebate application or online application and include a dated, paid receipt that lists the retailer/contractor name, address, phone number, product name, complete model number, installation date and efficiency information. Customers are responsible for any taxes associated with the receipt of a rebate.
- PECO is not responsible for items lost or damaged in the mail.
- By submitting your rebate application, customer agrees to potential verification selection. If your rebate application is approved, and customer is selected for verification, customer agrees to allow PECO or its agent access to the installation site to verify the qualified product. Failure to provide access may result in denial of the rebate request, or refund of rebate if already paid.
- Selection of qualified product, manufacturer, dealer, supplier and/or installer and purchase, installation and ownership/maintenance of the qualifying product referenced in the rebate application are the responsibility of the customer. PECO does not endorse any specific manufacturer, dealer or contractor and makes no representations regarding specific manufacturer, dealer or contractor or their workmanship. PECO makes no warranty for the use of the qualified product, and customer agrees that PECO has no liability concerning the quality, safety and/or installation of the qualified product, estimated energy savings of the qualified product, workmanship of any third parties or use of any qualified product.
- Customer is responsible for meeting program requirements and complying with all government, property owners, homeowner's association, or other requirements regarding restrictions, codes, ordinances, rules and regulations concerning the qualified product installation.
- Funds are limited and subject to availability. Rebate amounts and this rebate program are subject to change, including termination, without prior notice.
- If you checked the box (on page 1), you have given us permission to send you promotional material and information regarding PECO energy efficiency programs. You may unsubscribe from these communications at any time by following the unsubscribe link in the email.
- By participating in this rebate program, the Customer applicant agrees to abide by and be bound by these Terms and Conditions, and acknowledges that the decisions of PECO are final in all respects.
